Celtic Music in the Garden

On Sunday, October 27, 2019, the second free music event and picnic took place in the garden under crystal clear blue skies and a near perfect temperature. It was a day described by one of the

garden's dedicated volunteers as "magical". Beautiful Celtic music from Wyndnwyre filled the garden area as

neighbors gathered on lawn chairs to enjoy the concert.

Garden Volunteer Days

Volunteer days are the first and third Saturday of each month. Cool weather hours are 2:30 - 3:30pm. Come meet your neighbors, take home some veggies and help the garden grow. Everyone welcome

Wyndwyre is a premier Celtic music group that performs with traditional instruments of Celtic Harp, Dulcimer, Fiddle and Flute. Some of the music heard that day can trace its roots back 1000 years, showing the timeless character of Celtic music. Formed in Houston in 1985, Wyndwyre does only a few public appearances each year. Southside Place is fortunate to have hosted such a cornerstone group of local musicians. The day was a nice prelude to the holidays as well, with Wyndwyre taking a request and performing "Greensleeves" to end the concert.

Thank you to the City of Southside Place for sponsoring the concert. Planning will be underway shortly for the 3rd Picnic In The Garden and Concert to be held in March 2020.
